**Explanatory Notes No. 1**

The following explanatory notes are provided to the queries raised by the bidders.

#	Query	Response
1.	Existing router specification / configuration.	Bidders are free to visit the offices of Ujjain Smart City Limited and study the existing equipment.
2.	Printer – WiFi or Wireless connectivity. Both have same meaning.	Confirmed. WiFi a/b/g standard is minimum required.
3.	Request to change Payment terms to 100% payment at delivery and installation	Tender conditions remain unchanged.
4.	L3 Manageable Switch - How many uplinks are needed here. 2x10g,2x1g or 2x10g and 2x1g?Kindly clarify. Also please provide specification of Router with number of routers already existing in ICC	2x10g and 2x1g are required.  Bidders are required to visit and first hand get required information and make their own assessments.
5.	The tender specification which are mentioned in tender document does not indicate how many KVA Online or Offline UPS with 30 minutes backup with technical specifications. The request to kindly clarify the technical specification of UPS.	Since the equipment is being procured by the bidder, they are responsible to calculate the KVA or other relevant parameters and provide a minimum 30 minute power backup.
